**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy beneficiary of fiber internet from a competitive ISP (Sonic). This is not AT&T. I understand that AT&T has now petitioned the FCC to make the marketplace to be LESS competitive.

The FCC can do one of two things:

1. Ignore the public good and let the huge corporations have their way, again.
- or
2. Keep healthy competition and deny AT&T's underhanded application. Protect the citizens of the United States as you are supposed to do!

Thank you.
